Dear Assistant Commissioner of Patents,

Please add the following changes to the patent application number 09800556, file date 03/05/01.

TITLE OF INVENTION

Idea of order-delivery service via interactive systems and order delivery service system via interactive systems (TV set with cable box or satellite dish network, Wireless or Pro/Wireless, PDAs, handhelds, pocket PCs) providing customers with the access to menus of fast food restaurants, other restaurants and dining places and products of other companies and ability to order and receive fast delivery of any products.

CLAIM OR CLAIMS

What I claim as my invention is an idea of order-delivery service via interactive systems and order delivery service system via interactive systems (TV set with cable box or satellite dish network, Wireless or Pro/Wireless, PDAs, handhelds, pocket PCs) that will allow potential customers to access menus of fast food restaurants, other restaurants and dining places and products of different companies, order and receive a fast delivery using a remote control device for a TV set, cable box, or satellite dish network box.

Thank you!

Radik Ismagilov.
